Welcome to DERO tobacco

Since the founding of DERO tobacco we have been committed to the highest quality standards in the tobacco industry.

We as DERO Tobacco work with the high quality Virginia tobacco and the products are produced exclusively in Germany, and our bestseller "TROPICAL JUICE" is one of the best-selling tobacco varieties in the hookah world.

With more than eight years of experience, we are one of the largest traditional companies in Europe. We present our products in 15 countries in different brands.

We are always ready for innovative ways to offer you the best possible quality.
